Your Samford acreage dream on a budget, 4.2 acres, picturesque setting

Your acreage dream can come true. One of your last chances to purchase your piece of Samford acreage in this small, family estate. This is one of the last undeveloped blocks near Samford Village and still has everything you could hope for in acreage living.

Building freedom, with no covenants attached. Picture perfect mountain and valley views, lush rolling pasture, and on a quiet no through road. Unbeatable position - only 8 minutes to the Village.

Set back from the road, natural gullies, Native forestry belt and school buses at the end of the street.
