Lifestyle - Built in 2008 this modern low set is ideally positioned in Warner lakes, with children's playground and parkland up the street, a few mins walk to access the 20kms of bikeways and walking trails which meander through this outstanding estate.

Features - Positioned on a larger 702m2 allotment this offers separation from the neighbours and side access if required for future projects. The home has air conditioning and ceiling fans while all bedrooms are built in. Only 35 mins to the Brisbane CBD and centrally located within 6 mins to the new Brendale Commercial centre, Warner Shopping Village and lo
