Secluded bushland retreat

This secluded bushland retreat offers privacy and serenity, along with spectacular views over the valley and House Mountain. Landscaped native gardens provide year round colour, frequented by native wildlife. Meander along a private rainforest walk down to the easement, before relaxing in the tranquil swimming pool, easily accessible from the back deck. All just 5 minutes from Samford Village.

There's plenty of storage space in and under the house, ducted air-conditioning, a generous laundry/sewing room, a large garage and a separate gym.
