An inspirational 3 bed & study oasis of bespoke design

Created as a unique family sanctuary amid tranquil leafy surrounds, this designer pavilion-style residence establishes a relaxed living environment with generous proportions and an uplifting sense of space. It combines flowing interiors, private outdoor areas and serene bushland views to provide the ultimate entertainers' retreat upon a 1,523sqm low maintenance block. It's hard to believe this secluded home is located just a few minutes from local cafes, schools and shops and just over half an hour to the CBD.

- A light filled interior layout features extra height vaulted ceilings
- A choice of expansive alfresco decks for year-round entertaining
- Walls of folding glass enhance the leafy outlooks and open to the outdoors
